Remember to consider the origination fee (assessed up front) when determining the Direct PLUS amount you want to request. The current Direct PLUS origination fee is 4%, resulting in a net disbursement of 4% less than the total loan amount requested. The interest rate for 2012-2013 is 7.9%.

* You will only pay interest on the portion of your Direct PLUS that has been disbursed to the University; we recommend that you apply for what you will need for the full academic year. The spring disbursement can be cancelled if you decide you do not need the funds.

I consent to the U.S. Department of Education and its agents obtaining a report of my credit record and using the information from that report in determining whether to make a Direct PLUS Loan to me. I understand that I will be notified in writing of the results of the credit check with respect to my loan application.
