

Welcome to Clark!

When you arrive on campus...

Proceed to the parking lot located on Maywood St., indicated in the map. Fill out the attached parking pass with the **date of your visit** and the **password** that was included in the email we sent you to confirm your visit. Then just leave it on your **dashboard**, and make sure that it is visible from outside your car.

The Admissions Visitor Center is located next to our Administrative Offices. Just head towards the house and follow signs to the visitors center.

If you are unable to find parking in our lot, this pass is good for any of the additional parking lots on campus.
