

## 2006 Men's Tennis Preseason Newsletter

### Coach's Corner - Season Preview

The men's tennis team is anxiously awaiting the start of the spring season. With five returning starters from last season (Anuj Ladha, Nikola Milinkovic, Allan Breed, Josh Winer, and Brian Brown) and the addition of five first-years, the team has a great balance of experience and new energy. The loss of last year's co-captain and number one player Ollie Hartman certainly leaves a void, but senior Anuj Ladha is ready to take on the challenges of the top spot in the line-up. He will be followed closely by co-captains Nikola Milinkovic and Allan Breed. Senior Josh Winer is coming off a very successful first season for the Cougars and stands to make a positive impact again this season. Co-captain Brian Brown will also help to solidify the team's all-important doubles line-up. Three first-years, Adam Bisceglia, Ari Robkin, and Ben Gross are poised to challenge for three of the top six spots in the lineup. This is the deepest team Clark has had in many years with so many players able to beat each other on any given day. That depth stands to be the most significant factor in what we hope to be the most successful season in quite sometime.

The team, for the second year in a row, headed to Florida for spring break to play matches against schools from across the country. This experience, as it did a year ago, will help the Cougars significantly as we enter our tough NEWMAC schedule.

We believe this will be an exciting year for Clark Tennis and hope you will have a chance to get to a match or two. We truly appreciate the support!
