President Clark University

Dear Sir:-

I have just heard that your College has taken up rowing.

Our Assn will hold a regatta on the Charles at Boston May 9 under the auspices of Boston U ( Dr Harmon)

We have our annual meeting Friday night at the Sheraton and would be pleased to have a representative from your rowing Dept sit in if they would like.

Our Assn has been promoting rowing among Colleges newly adopting the sport for the last four years.

It might help to stimulate the sport at Clark.

Sincerely

*C. Leverich Brett*
