My dear Mr. Brett:

Your letter of April 20, addressed to the President of the University, was referred to me because I have been the individual who has endeavored to organize rowing at Clark.

Your invitation to meet at the Sheraton is much appreciated, but time and athletic funds do not permit me to attend the meeting.

I am very much interested in learning that your Association has been assisting colleges in adopting the sport. I should deeply appreciate any information about what kinds of assistance the Dad Vail Rowing Association has given to rowing in schools where it is newly organized.

I am also interested to learn of the regatta you are planning in Boston on May 9th. I should like to know what the events will be, and what requirements there are for entering.

Sincerely yours,

Associate Professor of
Economics & Sociology
