

September 22, 1942

Mr. John F. Tinsley, President
Crompton and Knowles Loom Works
Grand Street
Worcester, Massachusetts.

Dear Mr. Tinsley:

Your letter of September 16th, granting permission to use the Company's facilities on Coes Pond for storing our rowing shells and launching our boats, was received today.

I am very glad to have this privilege and wish to extend to you my personal thanks along with the thanks of the young men who row.

Very sincerely yours,
