Dear Sir:

I am sorry that we cannot help you in obtaining any shell hardware at this time, inasmuch as we are swamped with work for the armed forces.

We have on hand, however, two four oared shells in good condition which may be purchased for \$300.00 each. These shells are fully equipped with seats, shoes and riggers.

Oars may be obtained from the Montague Oar & Paddle Corp., in Foxboro. We have no sweep oars of our own make on hand at this time.

If it is possible for you to get away, it would be a good idea to come down and see these boats.

Very truly yours,

HAGERTY COMPANY
