Dear Mr. Melder:

I have your letter of June 29th.

We are very glad to be of service to you and your boys in connection with their rowing, and will be glad to make similar arrangements next fall when you take up the work for another year.

In the mean time it will be all right to leave your rowing shells at the bath house.

Yours very sincerely,

A handwritten signature in cursive script that reads "John F. Tinsley". The signature is written in dark ink and is positioned to the right of the typed name.
