Dear Mr. Neunemacher;

Our class crew races here at Wellesley are being held November 2 at 3:40. We would like very much for you to help judge them if it is possible for you to be here at that time. There will be two other judges also. Each crew is judged on slow rowing form and racing form as well as speed. This is done from the motor boat and may be a rather chilly job.

I do hope you can come and please do bring any of your students who might be interested.

Hoping to hear that you can be with us, I remain,

Sincerely yours,

Evelyn K. Dillon
