Womens College Athletic Council
Clark University

Dear Miss Hughes:

The Rowing Club of Clark University, which voted the inclusion of the interested college girls into the Club at a recent meeting, petitions for financial support towards the upkeep of our equipment and towards the purchase of two new boats.

The Men's College has allotted an annual budget of \$100. towards expenses of the Club. As the interested girls now far outnumber the boys, and as their enthusiasm is even higher, we ask for financial aid equal to that contributed by the men's College.

Sincerely,

A.P.Stevens, Pres.
