Mr. Rudolph F. Nunnemacher
Clark University
Worcester, Mass.

Dear Mr. Nunnemacher:

With the successful conclusion of the war, we are now looking forward to very active years in rowing, and we would appreciate your cooperation with the National Association.

The year 1946 will see the first National Regatta again since 1942. There is also a possibility that the Pan-American Games will be held the same year. The Olympic Games will be held in 1946. But first we have to get our clubs going again. Your National Association is only too glad to cooperate with you in every respect. If you have any questions or problems, please write to the undersigned at the above address, and we shall take care of it immediately.

As you probably have read already in the Rowing News Bulletin #4, which Mr. C. Leverich Brett edits in such an excellent manner; the National Association elected new officers at their last meeting on July 3, 1945. The list of the new Executive Committee and officers is shown on this letterhead.

Hoping to hear from you, and with our best wishes, we remain

Cordially yours,

NATIONAL ASSOCIATION
OF AMATEUR OARSMEN
