OFFICE OF THE DIRECTOR

Dear Gene:

Forgive me for being so lax and also so inconsiderate in not replying to your letter immediately - Frankly I had anticipated being in Worcester this past week - and indeed I was - to see BU + help X play ball - Then I couldn't remember where to get in touch with you of a Saturday -

Now to your questions:

1. Apply for membership to be taken up + voted upon at the winter meeting in New York. A Regular application requesting membership and indicating that you have the support of the University by virtue of recognition.
2. It would be better to apply through your Dept of Athletics - but you can apply through the club. I think that application by the Athletic Dept. with the signature of the Athletic Director would clinch it.
3. Send your application to Mr John BRATTEN
336 EAST MEEHAN ~~DRIVE~~ ST - Philadelphia, Pa.
4. You should apply about 3 weeks (at least) before the winter meeting (around November 26 or 27)

5. Bill Rubin bought the shell - it would have required quite a bit of work to repair it - and he has a good deal of experience in that line.

I hope this all helps.

was looking forward to a better season than last year. we should have a good variety + good frosh and a good J.V. can't have everything I guess -

See you in November at the DREA meeting -

Cordially

Jim -
