Mr. F. Eugene Melder, Crew Coach,
Clark University,
Worcester 10, Mass.

Dear Mr. Melder:

I held up answering your letter of Oct. 31st, until the present date, as we had not set the date of our winter meeting. We now know the meeting will be held at the Hotel Biltmore in New York City, at 10.00 A.M. on Saturday, December 3rd. We use the office of the East College Athletic Conference for our meeting.

Regarding Clark University's application for membership, the annual dues are \$25.00 and a check for same should accompany a formal request written to the Association by the Director of Athletics of your College.

We will look forward to seeing you and any of your representatives who care to come at our meeting, and we are assured that the acceptance of your application is just a formality.

With best wishes for the coming rowing season,

Very truly yours,

JCB-R
