Mr. John C. Bratten
Chairman Dad Vail Rowing Association
336 E. Meehan Street
Philadelphia 19, Penn.

Dear Mr. Bratten:

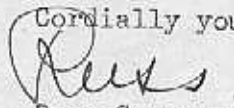

In the name of the Clark University Athletic Association, I hereby make application for membership in the Dad Vail Rowing Association.

Since it is our understanding that applications for membership will be acted upon at the Annual Meeting on November 28th next, it will be difficult to send you before that date, and detailed information you might require.

We expect, however, to have at least one representative present at the New York meetings, who, I am certain, would be most happy to meet with your committee if you so desire.

Our oarsmen thoroughly enjoyed their experience in the Regatta last spring and are most anxiously awaiting news of your action.

Cordially yours,

Russ Granger
Director of Athletics
