Dear Dr. Melder;

The basket of purple iris
and narcissus that (you and) the Clark
Crew Squad were perfectly beautiful to
send in honoring Mrs Rogers. I and all
of the family appreciate your sympathy
and thoughtfulness. (She thought so much of
you Dr Melder and she so enjoyed knowing all
the members of the crew and it had given
her so much pleasure to see ^{the crew} you perform
on Lake Quinequamond that I know it was
most gracious in her eyes to have from you
such a tribute.

Very truly yours
Morgan F. Rogers
