

### IN PHILADELPHIA REGATTA

Clark University's varsity oarsmen will face six opponents who beat them when they compete in the "Dad" Vail Regatta at Philadelphia tomorrow. Coach Gene Melder has been encouraged by the fact Clark rowed faster with each race. However, the Worcester boys are unchallenged as underdogs, especially since their most powerful oarsman, Gary MacConnell of Granville, N. Y., has been ordered out of athletics by his doctor. The crew includes Stuart Miller, coxswain, front row from left, Edwin E. Kinell, Carl J. Erickson, Joseph Behrman and Idrian N. Resnick; rear, Donald C. Zulauf, Ryland F. Rogers, George M. Collins and Arthur B. Lee, Jr.
