### In the Crease by Evan Davis

Though our record may not reflect it, our season this year was a success. In a conference that has grown much stronger in the past few years, we have begun to make our mark. We were competitive in games that we had not been in the past and we were able to put away teams when we had the chance.

This year Clark got younger and more athletic. We started freshmen at key positions, two at attack and two at close defense, and they did a great job. At attack, freshman Andrew Webber lead the team with 43g and 12a and freshman Jon Ponte was third on the team with 14g and 4a. At defense, Dan Rosenak lead the team and the Pilgrim League with 106 ground balls this season. Junior Scott Foglietta was second on the team in scoring with 13g and 29a, rounding out the top three scorers.

This year we are saying goodbye to two seniors and a grad student. Joe Becher (Captain) and Alan Green graduate this year and can look back on their time with the Cougars and know that they helped build a great tradition. Serge Shnayder leaves us after finishing his fifth-year program. I would personally like to thank all of them for their commitment to the team and their help in moving the team forward.

The prospects for next year are good. I am in the process of locking down our schedule for 2006 and planning my recruiting trips for the summer. Right now, we have 13 commitments for the 05-06 season and I can't wait for fall-ball.

Good luck to all of you and have a great summer. GO COUGARS!

### COUGAR ALUMS

I am hoping to see all of you at a game in 2006. This fall, we will be doing an alumni game again, which is getting the official name of "THE RED AND WHITE GAME." Please keep a look out for an email about when it is going to be. As always, in the coming year we are going to be raising money for our spring break trip and various other necessities and I will be sending out an email this summer letting you know how you can help.

Thanks again for all of your support!
