*PRIDE, STRENGTH, and CHARACTER*

## In the Crease by Evan Davis

The season has started and we have a great feeling about this year. I have a lot to catch you up on, so let's get right down to business.

First off, I would like to announce that Dave Breglio ('07), has been appointed as the third captain. Though only a sophomore, his leadership on the field cannot be denied. We welcome back to campus Mike Myers('06), he was studying in England last semester. I would also like to introduce a new member to the team, Andrew Webber('08). An attackman, he comes to us from Northern Highlands Regional, in New Jersey. I would also like to let everyone know that the team has achieved a 2.98gpa, the highest cumulative gpa score in team history. In fact we have ten players that have achieved a 3.0gpa or better this last semester. I consider this the greatest achievement to date of this team, on or off the field.

With all of this great news, we also have had our fair share of adversity. The injury bug bit us this year. One of our captains, and last year's leading scorer, Devon Kinnard and freshman Conor Sweeney both suffered season-ending ACL surgery. Both of them will be missed greatly on the field and we are looking forward to having them at full strength next fall. The team has rebounded well from this set-back and, if focused, can make this the best season that Clark Lacrosse has ever had.

From my desk, recruiting is going very well this year, with two early decision candidates applied and accepted. The crop of recruits that we are in talks with are by far the strongest group this program has seen. Our current guys have really made a great effort talking to the recruits when they are on campus and letting them know how special Clark University is.

Just a reminder, we are going to be going to Orlando, FL this year for spring break. If any alumni are down in that area, please let us know. Well, that is it for now. I hope to see you all this spring. GO COUGARS!
