

## International Development and Social Change (IDSC), Checklist for Minors

**A minor in IDSC consists of six credits:**

### Core Course (1 unit)

Core course name	Course number	Semester completed	Taught by
Choose one of these two core courses: 1. <b>Tales from the Far Side (ID 125)</b> 2. <b>Introduction to Cultural Anthropology (ID 120)</b>			

### Area of Specialization\* (4 units)

Students may follow established specializations that relate to international development and social change (e.g., Political Economy, Peace and Conflict, Gender, Global Health, Culture, Participatory and Community-Based Approaches, Sustainability) or they may design their own area of specialization with the approval of their IDSC advisor. At least two of these classes should be at the 200 level.

**Specialization** (describe):

Specialization course name	Course number	Semester completed	Taught by
2.			
3.			
4. (200-level)			
5. (200-level)			

### Skills course\* (1 unit)

IDSC minors will take one skills course in either computers, statistics, GIS, cartography, conflict negotiation, service learning (e.g. ID 131 Local Action/Global Change), social science methods, or a foreign language at the intermediate level (105 or above).

Skills course name	Course number	Semester completed	Taught by
6.			

\* Elective classes - refer to the current IDSC course listings in the Clark Academic catalog ([www.clarku.edu/academiccatalog](http://www.clarku.edu/academiccatalog))

+ This checklist was updated October 2009. Always consult the webpage and/or your advisor for any further requirements.
