Students Wonder how to approach a professor or to make the most of a mentorship you already have?

Faculty Curious about what professors experienced with mentorship have found most beneficial for expanding career and networking opportunities for students? Seeking advice about how to encourage students to go to the next level?

This is the workshop for you. Panelists: Middlebury College Professor Anne Knowles, Clark Professor Ken MacLean, Clark doctoral student Arthur Elmes, Middlebury students Laura Strom and Levi Westerveld, and Clark students Olivia Rogine and Michelle Andrews. Moderated by Natalia Abrahams, Clark student.

Coffee and light refreshments available
