Medical School, Boston, MA
Research Consultant (2007-), Children's Aid Society: Grief Center, Worcester, MA

HONORS

B.A. with First Class Honors in Psychology, 1949.
Nominated as "Outstanding" Ph.D. by Department of Psychology, Clark University to
Division of Clinical Psychology, American Psychological Association. First
national chairman of committee composed of such graduates from APA accredited
programs, 1961.
Who's Who in the East.
Who's Who in Science and Technology.
Who's Who in American Education.
International Who's Who in Medicine.
International Who's Who in Education.
Who's Who Among Human Service Professionals.
Visiting Scholar, Henry A. Murray Research Center of Radcliffe College, 1984-1985.
Visiting Professor, Department of Psychology, Trier University, Germany, 1989.
Honorary Member, Phi Beta Kappa, 1990.
Visiting Scholar, Department of the History of Science, Harvard University, 1991-1992.
Who's Who Among American Teachers, 2005.

TEACHING

Distinguished Teacher Award, Society of Teachers in Family Medicine, 1976.

PROFESSIONAL AFFILIATIONS:

American Psychological Association
Member: Divisions of Philosophical Psychology; Teaching of Psychology;
Clinical Psychology; Community Psychology; Developmental Psychology.
Eastern Psychological Association
Massachusetts Psychological Association
New England Psychological Association
American Association for the Advancement of Science
American Association of University Professors
Society of Teachers of Family Medicine
Member, Worcester Consortium of Colleges, Gerontology, 2006-

PROFESSIONAL ACTIVITIES, COMMITTEES, OFFICES:

Member, 1981-1962; Chairman, 1962-1963, Committee on Issues in the Training of
Clinical Psychologists, Division of Clinical Psychology, American Psychological
Association.
Chairman, Conference Planning Committee, Conference on Professional Preparation of
Clinical Psychologists, 1962-1965, American Psychological Association.
Member, 1962-1964; Chairman, 1962-1963, Corresponding Committee of Fifty, Division
of Clinical Psychology, American Psychological Association.
Chairman, 1962-1963, Interest Group in Post-Doctoral Clinical Training, American
Psychological Association.
Consultant, 1966, Position Paper of the American Psychological Association on "The
Community and Community Mental Health."
Member, 1962-1965, Board of Professional Affairs, Massachusetts Psychological
Association.
Member, 1966-1968, Board of Directors, Massachusetts Psychological Association.
Member, 1968-1969; Chairman, 1967-1968, Programs Committee, Eastern Psychological
Association.
Editorial Consultant, 1966-1967, "The Child Health Encyclopedia," Boston Children's
Medical Center, Boston, Massachusetts.
Member, 1966-1967, Committee on Membership, Division on Community Psychology,
American Psychological Association.
Member, 1967-1970, Policy Commission, Title III Educational Grant to the City of
Worcester, Massachusetts.
Member 1970-1971, Urban Affairs Committee, Community Service of Greater Worcester,
Inc., Worcester, Massachusetts.
Member, 1970-1971, Board of Directors, Store Front School, Worcester County
Ecumenical Social Action Council.
Member, 1968-1973, Board of Directors, Jewish Family Service.

Member, 1970-1971, Committee on Psychological Services Training Programs, Division
of Psychotherapy, American Psychological Association.
Member, 1970-1972, Board of Directors, Rehabilitation Center of Worcester, Inc.
Member 1973-1975, Board of Directors, Pastoral Counseling Center.
Chairman and Member, Site Evaluation Visits, American Psychological Association. (In

the last several years I have been Chairman 9 times and member 10 times of Site Evaluation Team Visits for the APA. These teams evaluate doctoral programs in clinical psychology offered by universities or evaluate the internship experience provided by a practicum agency (clinic, hospital) seeking APA approval.)

Visiting Scientist, National Science Foundation and American Psychological Association. (I have, on two occasions, been a Visiting Scientist for this program sponsored by the National Science Foundation in conjunction with the APA.)

Member, 1972-1976, Board of Directors, Worcester Area Mental Health and Mental Retardation Board.

Member, Board of Incorporators, Ecumenical Council, 1973-

Member, 1975-1977, Psychology Advisory Committee, Boston Veterans' Administration Hospital, Jamaica Plains, Boston, Massachusetts.

Member, Committee of Psychologists in Family Medicine and Primary Health Care, 1979-

Member, Board of Visiting Committee to the Massachusetts Board of Higher Education, 1980-1981.

Consultant, 1981, Faculty Evaluation, Massachusetts School of Professional Psychology.

Consultant, 1980-1981, Pre-Accreditation Review for APA Accreditation of doctoral program in counseling psychology, Boston College, Boston, Massachusetts.

Clinical Scholar, Department of Family Medicine, University of North Carolina, 1980.

Visiting Professor, 1981, Department of Family Medicine, University of Alabama Medical School, Birmingham, Alabama.

Advisory Editor, Family Systems Medicine, 1982-

Visiting Professor, Department of Family Medicine, University of North Carolina, 1982, 1983, 1984, 1985, 1986, 1987, 1988.

Assistant Editor, Continuing Education for the Family Physician, 1983-1986.

Member, Special Review Committee, Prevention Intervention Research Centers, National Institute of Mental Health, 1983.

Member, Study Section, Child, Family and Prevention, National Institute of Mental Health, 1983.

Consultant on Accreditation of doctoral program in clinical psychology, Bryn Mawr College, PA, 1984.

Ad hoc member, Board of Appeals, American Psychological Association, 1985.

Member, Study Section, Child, Family and Prevention, National Institute of Mental Health, 1986.

Ad hoc member, Board of Appeals, American Psychological Association, 1986.

Chair, Site Visiting Team, Accreditation of Internship in Clinical Psychology, American Psychological Association, October, 1986.

Chair, Site Visiting Team, Accreditation of University Doctoral Program in Clinical Psychology, American Psychological Association, March, 1987.

Chair, Site Visiting Team, Accreditation of University Doctoral Program in Clinical Psychology, American Psychological Association, February, 1988.

Member, American Psychological Association Board of Appeals (University appealing decision of Committee on Accreditation). Washington, D.C., January, 1989.

Chair, Site Visit Team for an American Psychological Association Accreditation Visit to a Canadian University, Montreal, Canada, March, 1989.

Member, Committee on Training and Education, Division of Clinical Psychology, American Psychological Association, 1988-

Member, Special Review Committee, Research Applications to RFA from NIMH; NIDA; NICHD for "AIDS and its Behavioral Causes: Children's Knowledge and Emotions." December 12, 13, 14, 1989.

Member, Ad Hoc Committee on Psychology to advise Derek Bok, President, Harvard University on the appointment of an applicant for a tenured, full professor position in the Department of Psychology, Harvard University, December, 1989.

Chair, Site Visit Team, American Psychological Association, Accreditation of doctoral program, New York City, February, 1990.

Consultant, APA Pre-accreditation Visit to internship agency, Manchester, New Hampshire, March, 1990.

Chair, Site Visit Team, American Psychological Association, Accreditation Visit of doctoral training program in clinical psychology, New School of Social Research, New York, 1992.

Chair, Site Visit Team, American Psychological Association, Accreditation Visit of doctoral training program in clinical psychology, New York University, New York, 1993.

Chair, Site Visit Team, Combined American and Canadian Psychological Association, doctoral training in clinical psychology, Toronto, 1994.

Member, Advisory Panel on "Children and Medicines," The United States Pharmacopeial Convention, Inc., Rockville, Maryland, 1995-1997.

Member, Consumer Interest/Health Education Advisory Panel, United States Pharmacopeial Convention, 1995-2000.

CLARK UNIVERSITY AND PSYCHOLOGY DEPARTMENT ACTIVITIES, COMMITTEES:

Member, Executive Committee, Heinz Werner Institute of Developmental Psychology, 1965-1981.

Chairman, Clinical Committee, 1973-1975; Member, 1975-

Member, Human Rights Committee, 1973-1976.

Member, Conflict of Interest Committee, 1973-1976.

Member, University Committee on Governance, 1982-1983.

UNIVERSITY OF MASSACHUSETTS MEDICAL CENTER AND DEPARTMENT OF FAMILY AND COMMUNITY MEDICINE ACTIVITIES:

Member, Executive Committee; Curriculum Committee; Chairman, Task Force on Behavioral Sciences, Department of Family & Community Medicine, University of Massachusetts Medical Center, 1975-1978.

Member, Search Committee for Chairman, Department of Psychiatry, University of Massachusetts Medical Center, 1975-1976.

GRANTS:

"A study of the Interdependence of Presumptively Innocuous Paranatal and Neonatal Factors, Intra-Family Dynamics, and the Cognitive Development of the Child." This research was supported by Canadian Mental Health Grant No. 604-5 51, awarded to Roger Bibace, Ph.D., Hyman Caplan, M.D., C.M., and M. Sam Rabinovitch, Ph.D., at the Montreal Children's Hospital and McGill University.

"An Organismic-Developmental Approach to the Relationship Between Early and Later Cognitive Processes." This research was supported by United States Government Grant No. 1S05 FR 07045-03, Biomedical Research Grant to Clark University.

"Multidisciplinary Approaches to Informed Consent," (developmental, psycholinguistic, phenomenological, and legal perspectives). Graduate Research Grant, Clark University, 1988.

"Understanding AIDS Developmentally" grant for international conference on AIDS, Luxembourg, 1991.

"Conceptions of Illness - Life Span and Cross-Cultural Approaches," 1994-1996. Grants from CECIL, HIATT, and Trier University. (Joint projects with Professor Schmidt at Trier University, Germany and Professor Asakawa, Hyoto University, Japan.)

AREAS OF PROFESSIONAL INTEREST:

Causal reasoning with respect to biology and illness: childhood to old-age
Behavioral sciences in family medicine, obstetrics & gynecology
Cognitive aspects of psychopathology (depression; learning disabilities, etc.).
Ethical, legal, epistemological issues in the life cycle of the family.
