Flu Shot Clinics Are Oct. 8 and 15

When it comes to the flu season, prevention is power. As you know, Clark strongly encourages every student, whether your classes are in person or remote, to receive a flu vaccine as soon as possible to support a healthy community and follow the new Commonwealth of

Massachusetts requirement. **We are offering two flu vaccine clinics for students currently participating in Clark's COVID-19 surveillance testing: Thursday, Oct. 8, 10 a.m. to 6 p.m., and Monday, Oct. 12, 10 a.m. to 6 p.m., at the Dolan Field House.**

To get a flu shot, you should come to the Dolan during one of the above times with your Clark ID, proof of insurance, and wearing a short-sleeved shirt (or one that can easily be pushed up to the middle of your upper arm). Adherence to the Clark Commitment, including mask wearing and social distancing, is required. Please review the email you received yesterday for more information.
