## Student Leadership and Programming Opportunities

During Wintersession, the Student Leadership and Programming Office (SLP) is offering weekly support for student leaders — and for students who want to be more involved. Check out the below ways you can get involved, and follow [@ClarkU\\_CampusLife](#) on Instagram for information about all upcoming events. All times below are EST.

- **Monday Huddle:** Are you a student who hasn't yet found your niche on campus? Want to brainstorm a new idea, or connect about making the spring semester better than the fall? Drop into the [Zoom](#) session, every Monday at noon (except Jan. 18, when the University will be closed for Martin Luther King, Jr. Day).
- **Leadership Lounge:** Join us for a five-week series designed to help students meet and collaborate with each other. Topics will vary each week, and student leaders can share ideas, discuss successes and challenges, and learn new ways to operate virtually. Come when you can! [Wednesdays at 3 p.m. on Zoom](#)
- **Treasurer Training:** Being a student club treasurer is tricky. Join Kirsten Ireland, SLP budget coordinator, every Thursday at 11 a.m. or Friday at 1:30 p.m. for a Zoom session where you can get answers to all your questions about your treasurer duties, finances, purchases, and budgeting. Log into [Clark Engage](#) to click the proper link!

- **Exploring Leadership:** Join us for a deeper dive into who you are — **and who you want to be** — as a leader. Whether you take on club roles, lead others in the classroom or community, or find yourself feeling unsure of what type of leader you aspire to be, we welcome you. Mike Hardej, associate director of SLP, will lead you through weekly exercises and discussions about leadership, theories, and what makes being a leader at Clark such a special experience. [Beginning Friday, Jan. 22 at 2p.m. on Zoom.](#)

## Tell Your Professional Story: Résumé-Writing Workshop

Join the Office of Multicultural and First-Generation Student Support and the Career Connections Center to develop your résumé this Thursday, Jan. 14, at 4 p.m. EST. Are you worried your experience falls short when it comes to applying to jobs or internships? Are you concerned your résumé doesn't measure up to others? Julie Bolduc and Elizabeth Gittens from the Career Connections Center will show you how to showcase the experience you already have and transform your résumé into one you'll be so proud of that you'll want to show it off. This workshop counts toward your MFGSS ACE Program requirements.

You will learn:

- How to use different sections of a résumé to your advantage
- How to use storytelling to make your résumé stand out
- How to incorporate information you overlooked — but that employers want to know

## Reminder to Get Your Flu Shot

The Commonwealth of Massachusetts has mandated that with few exceptions, all students using campus facilities in the Spring 2021 semester will be required to provide proof of a flu vaccine. The shot is available at many pharmacies and clinics, and at your physician's office. Please note that this is for the flu, not COVID-19. Be sure to add this important immunization to your winter break plans. It is crucial that you obtain confirmation of your vaccination so that it can be filed with Clark Health Services. Clark is providing this [online form](#) for easy upload of your documentation.
