Some Clark Multicultural Clubs and Activities

*All Kinds of Girls (AKOG)*

Clark female-identifying mentoring program for girls (ages 9-15) from the local community. Takes place every Saturday 10 am - 3pm. If interested please contact: Nia Slater-Bookhart at nslaterbookhart@clarku.edu or Fatima Orta at fortaarenas@clarku.edu

*Asian Culture Society (ACS)* Founded in 1986, the Asian Culture Society enhances the Clark community by providing opportunities to learn about and experience Asian cultures. It has also worked in conjunction with other organizations to sponsor international cultural celebrations.

*Black Student Union (BSU)* Black Student Union provides greater communication & unity among students by sharing and promoting African American cultural pride and awareness within the Clark community. Our events range from dances in the Grind, our annual Kwanzaa Dinner, and bi weekly discussions and activities promoting African American culture, pride, and unity. BSU encourage all students regardless of race, gender, or ethnicity to participate! Share your ideas, celebrate diversity, and have fun!

*Caribbean and African Student Association (CASA)* The Caribbean and African Student Association (CASA) seeks to promote cultural awareness on Clark’s campus, along with aiming to foster a sense of community amongst students
from Africa or the Caribbean, and students of African or Caribbean ancestry. CASA has monthly general member meetings, as well as hosts various events throughout the academic year such as our highly anticipated CASA Weekend in the Spring!

Clark Commuters and Residents Everyone wants to live the full Clark experience, but sometimes certain students can feel left out from doing so. This includes commuting students, who don’t always have access to the same resources and fun that on-campus students get to enjoy.

First Generation Student Union This group was just founded last year by ACE mentor Justin Woods as a space for students who are the first in their families to pursue a four-year degree to build community, mentor, discuss common issues, and develop as leaders together.

Focus A group for men of color to discuss common experiences, and challenges over FREE food and brotherhood. Through bi-weekly sessions consisting of speakers, workshops and dialogue, facilitators focus on providing mentorship and cultivating resilience and community among underrepresented students.

International Student Association (ISA) this organization welcomes both International students and students who want to promote and learn about global experiences at Clark.

Korean Student Association (KSA)

Latin America Student Organization (LASO)

OPEN aims to serve the lesbian, gay, bisexual, trans* and queer (LGBTQ) communities, otherwise known as gender, sexual, and romantic minorities. Allies of LGBTQ students are also a valuable part of the group, and aid in efforts to educate and spread awareness of LGBTQ issues. OPEN members are dedicated to improving support and awareness in both the Clark community and all over the globe. OPEN holds big events throughout the school year such as Coming Out Stories, the (in)famous Drag Ball, and our Month of Awareness. We hope to create a more trans*-friendly campus.

Sisters in Stride (SIS) SIS works to build solidarity and community among women of color at Clark through a discussion of common experiences and learning about our differences. Through bi-weekly sessions consisting of speakers, workshops and dialogue, facilitators focus on providing mentorship and cultivating resilience and community among underrepresented students.
