Catching up with Clarkies

What have your classmates been up to since graduation? We're here to let you know!

We sat down with [Nathalya Castro Argueta '18, M.B.A. '19](#) and [Dale Watt '17, M.S./GIS '19](#) to find out how they've each been spending their time since Red Square.

Between designing her own clothes in El Salvador and his work at The Nature Conservancy in Minnesota, these two are certainly forging their own paths in life.

Do you know a graduate of the last decade who is doing great things in the world?

Make an Impact with The Clark Fund

Despite the current COVID-19 pandemic and subsequent adjustments to campus and academic life, Clark is still here to provide students with the resources and space they need to succeed. But, we can't do it alone. Please consider making a gift so we can continue supporting our students and faculty.
