Welcome Class of 2023

Dear Class of 2023,

Congratulations – you did it! We are so happy to welcome you to the Graduates of the Last Decade (GOLD) alumni community.

The GOLD Council is a volunteer group of 20-to-30 Clarkies that represent the young alumni community. Together we host events, serve on committees, participate in University initiatives, and engage with the Clark community. Our goal is to help you maximize your impact in the years following your graduation by helping you to stay connected to Clark and to each other. The GOLD Council is currently looking forward to spotlighting GOLDies and their achievements as well as planning more exciting events.

Keep an eye out for future editions of our newsletter, GOLD Nuggets, where we share our events and updates. Feel free to reach out if you have ideas on GOLD engagement, wish to volunteer, or have questions for us.

Lastly, we want to give a shout out to Juliette Coatsworth '13, who just finished her last year with us on the GOLD Council and served as the Council’s previous Communications Chair. Thank you for serving your fellow young alumni Juliette!

We hope to meet you at an alumni event soon. GOLD Council members are located in many different cities. If you'd like to make a connection, please email us at gold_council@clarku.edu.

Congratulations again to the Class of 2023 – it's been a long time coming :)

Sincerely,

Drashhti Bilimoria '21, MBA '22
Reunion Recap

Thanks for a Wonderful Reunion Weekend!

Thank you to everyone who joined us back in Worcester for Reunion 2023! It was a privilege to host so many accomplished, enthusiastic, and fun-loving Clarkies back on campus. Your love for Clark is contagious, and we hope you had a great time reminiscing with old friends while making some new ones!

GOLDies enjoyed a pub meet-up at the Worcester Beer Garden Friday evening to kick off the weekend. The class of 2013 had an incredible turnout of more than 50 classmates on campus for their 10th reunion, and almost 50 members of class of 2018 celebrated their 5th reunion together. Check out some of the incredible moments captured in our Reunion photo gallery.

We can’t wait to start planning for next year, when we will celebrate reunion for the classes of 2014 and 2019. Stay tuned for details about our Reunion Committee Kick-off meeting to learn how you can get involved in the planning process!
Alumni Affinity Groups

Join Clark’s alumni affinity groups, built around shared experiences, interests, and connections. Members of these groups are dedicated to building community, advocating for institutional change, and creating welcoming events that celebrate diversity, build solidarity, and foster relationships across generations.

Current affinity groups:
The Clark Black Alumni Association (CBAA)
Clark LGBTQ+ Alumni Association (CLAA)

In celebration of Juneteenth, the CBAA hosted a virtual conversation with Professor Ousmane Power-Greene, Ph.D. on June 15, focusing on the inspiration behind his recently published novel, "The Confessions of Matthew Strong." Join the group in Boston this July for the New England premiere of "The Boy Who Kissed the Sky," at the Strand Theatre in Dorchester, MA.

In May, the CLAA welcomed the class of 2023 at Lavender Graduation, an identity-based ceremony, and celebrated with the LGBTQ+ community at a reception during Reunion Weekend. Then, in honor of Pride Month, the group met up at Providence Pride for cocktails at the Malted Barley before going to the Illuminated Night Parade on Saturday, June 17.

Want to get more deeply involved? Reach out to the groups on their websites for details.

Senior Class Gift
This year, more than 200 members of the senior class donated to The Clark Fund, and 93 students earned a philanthropy cord to wear at their graduation ceremony.

Together, they raised over $3,000 for their Senior Class Gift, with donations designated to six different areas, including the Student Emergency Fund, Athletics, and the Scholarship Fund.

Clark teaches us to believe that one person can have a transformative impact. This Senior Class Gift shows us the cumulative impact of many acting to make a difference.

Thank you, Class of 2023!
