GOLD Nuggets - December 2023

Councils on Campus

Last month, members of the Alumni and GOLD Councils came back to Worcester for an annual meeting to reconnect with fellow alumni volunteers, meet members of the Clark community, learn about new additions to campus, conduct committee work, and plan upcoming projects and initiatives.

Some GOLDies are current 5th year students who have seen campus changes unfold, while others just celebrated their 5th reunion and saw a very different campus than the one they graduated from.

[Here's how they felt about being back on campus, plus some advice for current students and recent grads alike >](#)

Alumni Awards Nominations

Each year at the Friday night dinner during Reunion Weekend, several alumni are presented awards for their achievements, service, and dedication to Clark and the world at large.

The recipients are selected by the Alumni Council Awards Committee. Four awards are presented and we need your help with nominations, especially for the Young Alumni Award!
