# Discover a better path to a bachelor's degree in the USA

## THE GLOBAL LEADERS AND SCHOLARS PROGRAM

This unique university access program prepares select international students for academic success in the United States. Our innovative solution allows young people to acquire the English language, classroom, and campus life skills that make earning your college degree in the USA not only possible, but easier. With the Global Leaders and Scholars' staged approach to entering the world of higher education in America, we help to create positive, rewarding experiences for both students and their families.

## HOW DOES GLOBAL LEADERS AND SCHOLARS WORK?

Students begin their first college year at the prestigious ECNU campus in Shanghai or the CIEE Global Institute in Berlin. The following summer, they continue their studies in the United States, at Clark University in Massachusetts. And then, from sophomore year through graduation, students pursue their bachelor's degree at Clark in Business, the Humanities, or Science.

## WHAT MAKES GLOBAL LEADERS AND SCHOLARS DIFFERENT?

### For the Student:

- Builds confidence in English, academics, and the ability to succeed in an American classroom
- Provides practical, career-focused learning, academic support and advising, and real-world internship opportunities
- Develops a social and academic network of students and alumni from around the world, including U.S. students studying abroad
- Guarantees admission with sophomore standing to Clark University in the USA upon successful completion of the one year program

### For Families:

- Eases transition to the USA by maintaining student peers when study moves to the Clark campus
- Simplifies a family's college search while allowing student to explore academics and global culture
- Eliminates the pressures and anxiety of the typical college application process
- Offers a mission-focused program run by a non-profit university that puts the best interests of students and families first

# Earn your degree – the American way

## EARN YOUR DEGREE THE AMERICAN WAY

Students pursue degrees in Business, the Humanities, or Science at Clark University. All programs are taught in the American classroom style and infused with English language learning. In addition, students are prepared for career success through academic support and career advising, career exploration and work experience with U.S. employers, job shadowing opportunities, and alumni networking events.

## START IN BERLIN OR SHANGHAI

Students begin their Global Leaders and Scholars experience in a world-class host city — either in Berlin at the CIEE Global Institute, or in Shanghai on the prestigious ECNU campus.

Each campus offers ample opportunity to connect with other students from around the world and the USA. Students participate in a full schedule of shared academic, social, and career activities, including excursions to local historic and cultural attractions, and social and networking events on campus and beyond.

Program locations provide modern accommodations that include a secure campus with 24/7 support, resident advisers, shared or in-room kitchens with stove and fridge, available laundry facilities, wi-fi, and more.

## TRANSITION TO CLARK UNIVERSITY IN THE USA

After students complete two semesters in Berlin or Shanghai, they arrive with their peer group in America for summer study at Clark University in Massachusetts. The summer program provides continued English language instruction and immersion in American culture to prepare students for academic success and social integration in the USA.

Clark University's mission is to educate students to be imaginative and contributing citizens of the world while preparing them to meet the challenges of a complex and rapidly changing society. Our graduates become part of a global network of alumni that spans professions, industries, and disciplines.
