Save the Date for Move-In Day and Orientation

Move-In Day, which kicks off New Student Orientation, will take place the week before classes begin. During Orientation, all incoming students will learn how to be successful at Clark, connect with a Peer Mentor and members of their class, explore the campus and Worcester, and make friends! Students living on campus will have the opportunity to move into their residence hall, unpack, and prepare for the academic year.

Orientation is required for all incoming students. Families also have the chance to learn about important campus resources on Move-In Day, and a series of webinars throughout September will help further acclimate families to the Clark community.

- **Incoming First-Year Students:** Move-In Day and Orientation begins Thursday, August 19
 - **Incoming Sophomore, Junior, and Senior Transfer Students:** Move-In Day and Orientation begins Friday, August 20
