Welcome to Orientation!
We are very excited to welcome you and your new student to Clark University. The resource fair, family reception, and webinars scheduled in the upcoming weeks will help familiarize you with campus resources and get to know the Clark community.

During Orientation, your students will participate in a program that will help them transition to college and life at Clark. They will be introduced to campus, meet classmates and friends, and discuss their academic and cocurricular interests with faculty and staff. At the same time, today's family program sessions will help you understand the resources available to you — and introduce you to the staff who will support your family through your student's time at Clark.

We are excited to welcome the Class of 2025 to Clark, a university with a rich and vibrant history, passionate and diverse people, and offerings that make the Clark journey truly memorable.
