

Funded Opportunities International Travel Application Form

Name: _____

Major: _____ Year of Graduation: _____

Proposed Title: _____

Dates of Travel: _____

Location of Travel: _____

Instructions

Please complete the following sections, and upload this document along with your application.

1. Academic Rationale and Reason for Choosing this Destination

Please provide an outline of the importance and academic relevance of the proposed travel for your project, providing compelling reasons for working in this particular country.

2. Understanding of the Country Specific Situation (200-250 words)

Describe the country-specific risks/incidents that have occurred in the country you are proposing to visit in the last several years. If you have previously traveled to the country, please describe your experiences. The following sources may provide helpful information:

- travel.state.gov
- www.osac.gov
- www.cdc.gov/travel

3. Statement of Risk Assessment and Due Diligence

Please explain your own personal emergency action plan focusing on how to prepare for and prevent emergencies and how to respond to emergencies (for example, include measures of precaution you will undertake, contingency plans in case of unforeseen events and your proposed ways of touching base with emergency contacts, purpose and importance of registering with the State Department).

Please indicate if you will have any in-country support, such as with a host university or organization, and how you can utilize this support in the case of an emergency.
