Potential Required Documentation: International Students

Please note that students that identify as International Students at Clark on a visa are required to complete a Curricular Practical Training (CPT) Application. This form is used for employment/internship opportunities that are integral to an established curriculum or a required part of a degree program.

Please review the International Students & Scholars Office (ISSO) website for further information:
Once your application is approved, the Career Connections Center will send the information to the ISSO. The ISSO will process your CPT authorization and contact you by email when your new I-20 is ready to be picked up.

For questions and concerns regarding the CPT process, please contact Abagail Nolan at abnolan@clarku.edu.

ACADEMIC CREDIT INFORMATION

Note:

1. You will be required to complete 140 hours for 1 academic credit. This means you should plan to do about 9-10 internship hours per week.
2. Regardless of when the internship starts and ends, you may only log hours for credit that fall within your chosen semester. Please consult Clark’s Academic Calendar for details.
What semester are you applying for? (Example: Fall 2021)
Notes: (1) The internship must take place in the same semester for which you want to earn credit. (2) You must apply for each semester of credit separately.

What are your internship START and END dates?
Note: Only hours that fall within your chosen semester(s) will count for credit
Example:
Start: Day/Month/Year
End: Day/Month/Year

Number of Units Requested

Please keep in mind that:

1. You can only register for one semester of credit at a time.
2. You can register for any amount between 0.25 units – 2.0 units of academic internship per semester.
3. 1 unit is the most common amount requested. International students who only need credit in order to register for CPT may choose as little as 0.25 units.
4. The number of credits you earn is based on both the number of internship hours you log and the size of the academic project you complete.
5. Typically, a 1-unit academic internship requires an 8-10 page research paper or a project of similar size. The exact details are decided by you and your faculty adviser for the internship.
6. In order to receive academic credit, the total number of internship hours you log must meet the minimum standards listed below.
7. It is fine to exceed the minimum number of required hours. For example, if your internship will be 15 hours per week you can still request just 1 unit of credit.
8. These hours are for your internship time only. Your academic work will be in addition to these hours.

0.25 (35+hours): 2-3 hours weekly
0.50 (75+hours): 5-6 hours weekly
0.75 (105+hours): 7-8 hours weekly
1.00 (140+hours): 9-10 hours weekly
Major/Minor/Concentration of Internship
This is the major/department you wish to register your internship under. It does not necessarily have to be within your major, and can be in your minor or concentration.

Management (Major)
Management (Minor)
All Others

In what department do you wish your internship credit to count? This can be your major, minor, or concentration. (Please type the full name, for clarity.)

Internship Relevancy
Please explain how your internship relates to your academic and/or your professional goals.

ACADEMIC COMPONENT

- Your faculty sponsor will evaluate the success of your internship from an academic perspective.
- This academic component can take several forms – ranging from a series of short papers, to a major research report, to an artistic portfolio or videotape. There is room for creativity on your part.
- Although many faculty members assign a journal as one method of evaluation, a journal alone will not suffice.
- For a final research project, the recommended paper length is 8-10 pages per unit, in addition to a weekly journal.

In addition to weekly journal entries, my academic component will consist of:

Final research paper
Computer science coding/digital portfolio
Video, multimedia presentation, or other final product

Please describe in 1-2 sentences the kind of academic component you and your faculty adviser have agreed to:

**Academic Component Outline**
Please describe the focus of the academic component topic that your faculty sponsor has approved. Your academic component must tie your internship to the major in which you wish to register the internship.

**DOCUMENTATION**
Please upload all relevant documentation:

**Resume**
We recommend that your resume be reviewed by the Career Connections Center before being uploaded to this application. To have your resume reviewed:

- Stop by the Career Lab, ASEC 119, M-F between 1-4 pm (school year only)
- Email CareerLab@clarku.edu and request a time-sensitive review for your AIP application

**Screenshot of your Unofficial Academic Transcript (showing both your name and GPA)**

**Faculty Sponsor Approval Form**
Note: Faculty Sponsors are required to be full-time employees of Clark University or part-time employees approved by Department Chair.

5th Course Petition Upload:

- Will this be your 5th class for the semester in question? If yes, please upload an approved Fifth Course Request Form here.

Low GPA Petition Upload

- Is your GPA below 2.75 (or below 3.0 if you are applying for 2 units of internship credit)? If yes, please upload your approved Special Action Petition here.
