

Career Exploration Weeks 2023-2024

Join your peers for the 6 industry-themed weeks to learn more about exciting people, places, pathways, and opportunities!

- Explore new fields of interest and learn about potential career pathways in different industries.
- Meet with employers and connect with alumni in the field.

- Schedule a follow-up appointment with your Career Adviser to discuss new goals and interests.
- Drop by the Career Lab in ASEC 119 to have your resume or cover letter reviewed.
