

## Dean's List: Fall 2018

Clark's Dean's List celebrates and honors students who achieve GPAs of 3.8 (First Honors) and 3.5 (Second Honors) in their previous semester's work. It is a mark of official recognition from both the College Board and the Dean of the College. To be included in this list, students must have been enrolled in a minimum of four courses in the undergraduate college (three of which need to be letter graded courses), in which they have achieved grades higher than a B- in each. Below is a list of the students we recognize and commend for their hard work in the Fall 2018 semester.
