

Dean's List: Spring 2021

Each semester, the Dean of the College publishes a list of students who have distinguished themselves by outstanding academic performance in the preceding semester. Honors are awarded to the top students in each class based on semester grade point averages. To be eligible, students meet the following conditions:

- register for and pass at least three units of letter-graded courses (in the undergraduate or graduate college; does not include School for Professional Studies undergraduate courses);
- have received no grade lower than a "B-", including NR, NC, NS, and IN grades;
- achieve a current term GPA of 3.8 or above for first honors or a current term GPA between 3.50 and 3.79 for second honors.

We recognize and commend the students listed below for their hard work in the Spring 2021 semester!
