Review of your application cannot begin until we have received all necessary documents.

- ◆ Incomplete applications, including any sections of this application left blank will delay your award.
- ◆ We may request additional information from you during the academic year to complete your application or disburse financial aid to your account. To avoid delays in processing respond to our requests for information promptly.
- ◆ I agree to notify the Office of Financial Assistance at Clark University if I am awarded financial assistance from any source other than Clark University
- ◆ You are responsible for understanding how Employer Tuition reimbursement is managed through your employer. Clark University does not provide credit to the bill for anticipated tuition reimbursement or employer assistance.
- ◆ If you are interested in the Unsubsidized Stafford loan for Graduate Students please complete the FAFSA at www.fafsa.ed.gov We will need additional paperwork to process the loan
- ◆ **Application Deadlines:** Summer Deadline May 15th; Fall Deadline June 15th; Spring Deadline December 15th.

My signature below (**electronic signatures are not accepted**) certifies that I have read and understand all information included with my application for financial aid. I agree to provide all required materials as part of my application, and I have made true and accurate statements to the best of my knowledge.
