These awards may affect your Clark University financial aid package.

Private grants/scholarships derived from non-meritorious sources (state or federal grants) will reduce the Clark Grant dollar for dollar. Tuition benefit/remission based on a parent’s employment will reduce the Clark Grant dollar for dollar. Please refer to page 5 of the enclosed “A Guide to Your Financial Aid Award” for information.

Students who work on-campus or in off-campus community service positions, will need to present original documentation that confirms they are allowed to work in the U.S and of their identity.
