## Additional Information:

- You are not actually registering the student; you are enabling students to register themselves online for this course. Students who have been granted online permissions receive notification through their web accounts.
- If the course you are granting permission for has a required lab or discussion section, permission must be granted for the lab/discussion section as well.
- If you wish to rescind a previously granted online permission, please email the Registrar’s Office ([registrar@clarku.edu](mailto:registrar@clarku.edu)) with the name of the student, Clark ID number, and the CRN number of the course.

If you encounter any errors or have questions at any point during this process, please do not hesitate to contact the Registrar’s Office at [registrar@clarku.edu](mailto:registrar@clarku.edu) or 508-793-7426.
