Academic Calendar
Each summer, fall, and spring consists of a full semester (approximately 14 weeks of instruction) and two half modules.

Unit of Credit
At Clark, academic credit is expressed in terms of course units. Most courses are awarded one unit which is equivalent to four semester credit hours, 180 hours of engaged academic time, or six quarter credits. Some courses are offered for variable units. Three units is considered full-time (undergraduate and graduate). Converted from semester hours/credits to unit in 1984.

Special Grading Notes and Name Changes
No record (NR: unsatisfactory performance with the Pass/No Record registration option) has never appeared on the transcript. From 1981-85 failures were excluded from the transcript; withdrawals also did not appear. Effective Fall 1985, the first two failing grades (either F or NC) earned did not appear on the transcript. Effective Fall 1997, all failing grades appear on the transcript. Beginning in 1991 in the College of Professional and Continuing Education (COPACE), only the first failing grade is excluded from the transcript. Effective Fall 2014, the Pass/Fail option replaced the Pass/No Record grade option for undergraduate students. The Pass/Fail grade mode may be assigned to an entire course or self-selected by individual undergraduate students as an option.

When repeating a course that is not repeatable for units, the E (exclude) or I (include) notation will be listed under the “R” column on the transcript to the right of the quality points.

Graduate courses may be graded on either the pass/fail or the traditional letter grade basis (A+ through F), depending on the practice adopted by the individual department or school. For the Graduate School of Arts and Sciences, B- is the lowest passing grade. For the Graduate School of Management (GSOM), beginning with academic year 1990-1991, C is the lowest passing grade. For the School for Professional Studies (SPS) graduate students, C is the lowest passing grade.

In 2016 the College of Professional and Continuing Education (COPACE) was renamed to the School for Professional Studies (SPS) at the graduate level and the Summer and Evening Division (SED) at the undergraduate level. In the summer of 2019 SED was renamed to SPS-Undergraduates, therefore the School for Professional Studies now incorporates both graduate and undergraduate education.
