

SEXUAL VIOLENCE REPORTING OPTIONS

You can choose more than one option. You are not limited to one choice.

Confidential conversations: Information is unlikely to be shared without the individual's consent **unless** there is a threat to the campus community, or there are other extenuating circumstances. Efforts will be made to maintain confidentiality.

Non-Confidential/Reporting: Information may be shared on a "need to know" basis in order to assist in the active review, investigation or resolution of the report.

To find out more information about your (1) Options (i.e. file a report, counseling) (2) Rights (during the process) (3) Resources (i.e. housing changes, class changes, etc.), you can speak to Cherie Scricca, Title IX Coordinator, titleix@clarku.edu, 508-793-7194, or visit the Title IX website FAQ page: <https://bit.ly/2LjSaB1>

You do not need to file a report to access your Title IX resources. Speaking with the Title IX team will **not automatically** start an investigation.

That's OK! You do not have to. We encourage you to seek other kinds of support like housing or class changes if needed!
