Please read the following information carefully if you plan to bring a vehicle to campus, as parking is limited and sold on a first-come, first-serve basis. Once 24-hour parking spots have sold out, Students may ask to be placed on a waiting list, but are NOT guaranteed a decal if this is the case.

General

These rules and regulations are intended to promote the safety and convenience of the entire University community and to allow for maximum use of our available parking facilities. To that end, they will be strictly enforced. Sanctions include ticketing, booting, towing and revocation of parking privileges. Additionally, students with outstanding citations from the previous year may not be eligible to purchase a decal or receive copies of transcripts from the University.

Any person wishing to park a vehicle on Clark University property must purchase a parking decal. Parking decals will be issued in accordance with the provisions listed here and must be permanently affixed to the vehicles for which they are issued.

All persons who operate or park a vehicle on Clark University property are required to be familiar with, and abide by, the regulations outlined herein.

ALL PARKING ON CLARK UNIVERSITY PROPERTY IS AT THE VEHICLE OWNER’S RISK. CLARK UNIVERSITY IS NOT RESPONSIBLE FOR LOST OR DAMAGED PROPERTY.

Registration Procedure

Parking decal applications are processed through the University Police Department beginning on August 1st. Decals can be purchased online using a credit card or bank account routing number at our parking website: https://www.clarku.edu/offices/university-police/campus-parking-permits/. If you wish to purchase a second decal for an additional vehicle, you are required to complete a paper application at the University Police station and pay $10.00 in cash (exact change only) or with a check made out to Clark University. Parking lot information can be found at https://www.clarku.edu/offices/university-police/campus-parking-permits/.

Any parking decal purchases made prior to or during the first semester of the academic year will be charged the yearly rate (see below) and are NON-REFUNDABLE. If, at the beginning of the academic year, you know that you will only park your vehicle in a Clark University lot for the first semester only, you must visit the University Police station to fill out a paper copy of a parking application, and will be sold a FALL ONLY decal. Such decals are clearly marked and enforced. The rate for these decals are prorated at one-third less of the cost for a yearly decal, and must be purchased with cash (exact change only) or with a check made out to Clark University.

Please note that any vehicle baring a FALL ONLY decal will be cited if found parked in a Clark University lot after the first semester has ended.

Decals will be held at the police station to be picked up upon your arrival to campus, unless otherwise specified. Depending on your affiliation with the University, one of the following is applicable to you:

- Resident Student overnight decals (RLH) are valid from September 1st through May 31st of the following year.
- Faculty, staff, and student commuter decals are valid from September 1st through August 31st of the following year.
• Students who wish to house their vehicle overnight on campus during either the winter intersession or summer months are required to purchase a parking pass from the University Police station in the amount of $75 for the winter intersession and/or $150 during the summer.

If a student is bringing a vehicle to campus with an out-of-state registration, and purchases a decal for a 24-hour lot, a “Nonresident Driver Statement” must be filed (free-of-charge) in conjunction with the purchase of a decal. This form can be found at https://www.clarku.edu/offices/university-police/campus-parking-permits/ and must either be delivered in-person to the Clark University Police station, mailed to the address below, or emailed to parking@clarku.edu.

Decal Replacement and Alternate Vehicle Instruction

If, during the course of the year, a replacement decal is needed due to a new vehicle purchase, the original decal MUST be returned to the parking office, located at University Police in the garden-level of Bullock Hall. The driver of the vehicle will be asked to fill out another parking application and will be given a replacement decal.

If, at any time during the year, a rental or substitute vehicle is parked on campus, a temporary pass must be obtained from the parking office and placed on the vehicle’s dashboard.

Decal Fabrication

If a University Police Officer discovers a fabricated parking decal on a vehicle while on patrol, the vehicle will be towed immediately at the owner’s expense.

Regulations Concerning Snow Removal

Any motor vehicle obstructing snow removal operations (vehicles blocking entrances and exits) will be subject to towing at the owner’s expense.

Winter parking regulations are put in place by the City of Worcester and change periodically. For updated information, please call (508) 929-1300 or visit their website at www.ci.worcester.ma.us/dpw.

***Please note: decal exceptions will not be made during snow storms and temporary parking decals will not be issued due to inclement weather.

Disabled Persons

The University provides several disability-only parking spots throughout campus. Please see the parking map located at https://www.clarku.edu/offices/university-police/campus-parking-permits/ for specific locations. Proper decals or plates from the Registry of Motor Vehicles must be displayed when utilizing disability-designated parking spaces. Failure to do so will result in a citation and/or towing at the vehicle owner’s expense.

Parking Violations

Parking violations issued by Clark University Police Department may be paid via check or cash (exact change only) by either sending the citation along with payment through the mail or by visiting the parking office located in the garden-level of the University Police station. Unfortunately, we are not able to process credit cards. If you wish to appeal a violation, appeal forms may be found on the University Police parking site (https://www.clarku.edu/offices/university-police/campus-parking-permits/) and should be either mailed in to the
parking office or dropped off in-person along with the violation on or before ten (10) days after citation date. Persons appealing citations will be notified by email within two weeks with a decision.

If three (3) or more parking citations have been issued on the same vehicle for the same violation, the violator’s vehicle is subject to wheel clamping (parking boot) and/or towing. The clamp will not be removed until all outstanding citations are paid in full. There is an additional $75 fee for removal of the clamp.

**Temporary Guest Parking**

Any guests staying overnight must purchase a temporary parking pass by visiting the University Police station, located in the garden-level of Bullock Hall. These passes must be clearly displayed on the vehicle’s dashboard. Overnight guest passes are sold for $5/night with a three-night maximum. Guests will be required to park in the commuter section of the parking garage.

Temporary Parking passes will not be issued during or before an anticipated snow storm or other sever weather event.

**UNIVERSITY POLICE WILL BEGIN ISSUING CITATIONS ON SEPTEMBER 1, 2023 TO ALL IMPROPERLY PARKED VEHICLES. BE SURE TO HAVE YOUR DECAL PURCHASED AND PROPERLY AFFIXED TO YOUR VEHICLE BY THIS DATE. **

**Refunds**

Once a parking decal is purchased, refunds will not be granted for any reason. If you are planning on attending the University for only one semester during an academic year, the cost of your decal (with the exception of red commuter decals) will be prorated at 2/3 of the full cost. Failure to notify the parking office of your plans to park in a Clark University lot for the Fall semester only prior to purchasing a decal will result in having to pay the yearly cost for a decal.
