ARTICLE 4

4.1 There will be a Labor-Management Committee with up to five (5) members on each side that will meet once during each semester and once during the summer to discuss matters necessary to the implementation of this Agreement and of general interest to the Graduate Assistants or the University. Additional meetings may be added by mutual consent. These meetings shall not be used for negotiations or to discuss pending grievances. If neither party deems it necessary to hold one of these meetings, that meeting may be cancelled by agreement in writing. The designated Union representative(s) shall not interrupt the operations of the University or classroom activities and will be required to follow all University policies and procedures while on the University’s premises. The Union shall provide the University with the names of the designated representative(s) prior to them accessing the premises.

7.2 The Union shall have the ability to reserve meeting space on campus, subject to and in accordance with the University’s scheduling policies and procedures, for purposes of conferring with Graduate Assistants in connection with their representation of them. The University does not guarantee the availability of any particular space, during any particular time.

7.3 Union representatives shall be given up to one (1) hour by the University during University or School-level new student orientations that relate exclusively to the Graduate Assistants’ employment, in order to address new members of the bargaining unit. The University shall provide at least two (2) weeks’ advance notice of these orientations to the Union and the Union shall promptly notify the University as to whether it intends to use such time. Graduate Assistants shall not be compelled or required to attend the Union orientation.

7.4 The Union shall be permitted to post notices pertaining to the Union’s representation of the Graduate Assistants on designated University bulletin boards in academic and administrative buildings where Graduate Assistants perform work. Postings shall be in accordance with the University’s posting policies and procedures and shall not contain any offensive or derogatory material or material in support of or against a candidate for political office. The University reserves the right to remove any material that violates University policy.

7.5 The University agrees to host an “electronic bulletin board” or page on Clark’s learning management system, for Union information (and, separately, the University will post a copy of the collective bargaining agreement on its website on the most appropriate page within the
Graduate Education and Human Resources sites), however, the University shall not be restricted in any way from reviewing the content posted thereon and the Union agrees that any such review shall not constitute unlawful interference or surveillance of union activity. The "electronic bulletin board" shall not contain any offensive or derogatory material or material in support of or against a candidate for political office. The University reserves the right to remove any material that violates University policy.

ARTICLE 8
NO STRIKE/NO LOCKOUT

8.1 During the term of this Agreement or any extension thereof, there shall be no strikes, including any sympathy strikes, slowdown, withholding of grades or academic evaluations or other services, work stoppage or interruption of the operation of the University. Neither the Union, its officers, agents, nor unit Employees will directly or indirectly authorize, promote, or participate in any strike, sympathy strike, slowdown, withholding of grades or academic evaluation or other services, work stoppage, or interruption of the operation of the University. Any and all employees who violate any of the provisions of this Article may be discharged or otherwise disciplined by the University. The question of whether the Graduate Assistant violated this Article is subject to challenge under the Grievance and Arbitration Procedure of this Agreement. However, the University's decision to discipline, suspend or discharge a Graduate Assistant for such violation will not be subject to challenge through the Grievance and Arbitration Procedure.

8.2 The University agrees that it will not lock out unit members during the term of this Agreement or any extension thereof.

B. In the event the Department of Education issues new formal rules under its Title IX authority that require the University to modify its current Title IX policies and procedures, the University will notify the Union in advance of finalizing any such changes and provide an opportunity for the Union to meet and discuss in good faith the proposed changes.

9.4 Recourse.

A Graduate Assistant’s complaint of discrimination based on union activity or membership shall be handled through the Grievance and Arbitration Procedure in Article 15 of this Agreement. A grievance alleging such discrimination based on union membership or activity shall not include additional allegations of other forms of discrimination or abusive behavior as defined under this Article.

Graduate Assistants alleging discrimination not covered by the University’s Title IX Policy may pursue their rights with the appropriate state and/or federal agency. Graduate Assistants may also discuss claims of discrimination under this Article with a representative of the University at any time, with or without a Union representative. Such claims shall not be processed under Article 15, Grievance and Arbitration.

All other Graduate Assistant complaints regarding harassment in employment under this Article, will be processed in accordance with the internal policies and procedures developed by the University or the individual schools. 9.7 Gender Identity. Upon request from a Graduate Assistant, and subject to the limitations as articulated in the University's Chosen Name Policy the University agrees to update aspects of their employment record to reflect a change in name or gender identity. University records should accurately reflect Graduate Assistant pronouns. If an error is found in this regard, it will be promptly corrected when brought to the University's attention.

9.8 Disability. Upon request from a Graduate Assistant with a disability, the University and the Graduate Assistant shall engage in an interactive process to determine whether a reasonable accommodation can be provided to enable Graduate Assistants with disabilities to perform the essential functions of their job, consistent with state and federal laws as well as the University's policies. Graduate Assistants shall have the right, but are not required, to Union representation in all stages of the interactive process.

ARTICLE 10
APPOINTMENTS AND ASSIGNMENTS

10.1 Each offer of appointment or reappointment to a Graduate Assistant position shall be made by the University in writing and shall state the term of the appointment or reappointment.

10.2 In cases where the University determines advanced preparation is required by the Graduate Assistant, the start date of the appointment will be set to provide the anticipated length of time to accomplish this work.

10.3 Timeliness.

A. Appointments.

If feasible, and except for students in a Masters program, the University will endeavor to notify Graduate Assistants of their appointment at least one (1) month before the start of the semester in which their appointment begins. The University will endeavor to provide appointments for Masters students as soon as they are known.

B. Assignments.

1) Fall. The University shall endeavor to notify Graduate Assistants of their Fall assignments by August 15.

2) Spring. The University shall endeavor to notify Graduate Assistants of their Spring assignments by January 1.

3) Summer. The University shall endeavor to notify Graduate Assistants of their Summer assignments at least fourteen (14) days before the start of the assignment.
C. Nothing in this Article shall preclude the University from offering newly available employment opportunities after the deadlines set forth in this Article.

10.4 Letters of Appointment and Assignment. These letters shall satisfy the notification requirements set forth in this Article.

A. The letter of appointment shall include the following information:

1) Appointment title;

10.6 If available, instructors shall have access to copies of the textbooks needed to teach the course.

ARTICLE 11
WORKLOAD

11.1 The Union acknowledges that the specific hours worked each week will fluctuate for some Graduate Assistants due to the nature of their work. The Union also acknowledges that the work of a Graduate Assistant may overlap with the academic work of the student in the degree program. The University maintains the right to define academic expectations and degree requirements. This Agreement should not in any way be construed as imposing a limit on the amount of this academic work necessary for a student to make satisfactory academic progress toward their degree.

11.2 No Graduate Assistant shall be required to work more than an average of twenty (20) hours per week as part of their assistantship, during the academic year. The time spent by a Graduate Assistant on appointment-related, bargaining unit work shall count toward the Graduate Assistant’s workload. The time spent by a Graduate Assistant on their academic efforts associated with degree requirements and academic expectations are not part of this collective bargaining agreement.

11.3 A Graduate Assistant who believes their assigned workload cannot reasonably be completed within the time limits specified in Section 11.2 may bring such concerns to their Supervisor. The Supervisor shall discuss any such concerns and, as warranted, may adjust workload requirements. If the Graduate Assistant is unsatisfied with decision of the supervisor, the Graduate Assistant may request a meeting with the Supervisor and the appropriate department chair or comparable director in units with no department chair, or their designee, in order to resolve the workload issue (if the supervisor is also the department chair or comparable director, the Dean of Graduate Studies or their designee will serve as a substitute). This meeting shall take place no later than seven (7) business days after request, unless extended by agreement of all the Parties.

12
ARTICLE 12
PROFESSIONAL FEEDBACK

12.1 Supervisors should endeavor to provide feedback to Graduate Assistants on the bargaining unit work they perform, including advice, guidance, and support on how to improve their performance.

12.2 Notwithstanding the flexibility described in Section 12.1, the following minimum standards shall be met by the Graduate Assistant’s Supervisor.

A. Early Intervention. In the event that a Supervisor has concerns about a Graduate Assistant’s performance, they should notify the Graduate Assistant as soon as practicable to discuss such concerns and provide guidance and support for the Graduate Assistant to improve.

B. Written Feedback. Supervisors are encouraged to provide written feedback to each Graduate Assistant they supervise at least once per semester (or at the conclusion of the semester).

C. The Graduate Assistant may request an in-person meeting to discuss any feedback provided by the Supervisor. Such meetings shall not be unreasonably withheld.

ARTICLE 13
PERSONNEL FILES

13.1 The University will maintain basic personnel records for Graduate Assistants related to their employment. Graduate Assistants shall be provided access to their personnel files, upon request, but no more than twice during a calendar year, except to review information placed in the file that may negatively affect their employment.

ARTICLE 14
DISCIPLINE AND DISCHARGE

14.1 Discipline related to employment shall not include consequences to a Graduate Assistant’s student status; any incidents that could affect both student status and employment will be handled separately, where feasible. Discipline as used in this Article refers to adverse employment actions taken based on job-related misconduct or job-related poor/non-performance, and not to determinations by the University to dismiss a Graduate Assistant from the University or take an adverse action against a Graduate Assistant for academic reasons, including but not limited to grades, academic assessments, and authorship decisions or for non-job-related disciplinary reasons. The Union acknowledges that an individual who ceases to be a graduate student cannot continue to serve as a Graduate Assistant. The Union acknowledges it has no right to grieve decisions regarding student status.
14.2 Neither Discipline nor Discharge includes the non-reappointment of a Graduate Assistant or the failure to offer an employment appointment to a Graduate Assistant, nor does it include the exchange of feedback or performance evaluations. Appointment-related decisions that are alleged to be retaliatory, or allegedly based upon work-related misconduct, or allegedly violate the CBA may be grieved.

14.3 A Graduate Assistant will not be disciplined, suspended or discharged without just cause.

14.4 Reassignment shall not be used as a work-related disciplinary measure.

14.5 A Graduate Assistant may request that a Union representative be present at any investigatory meeting that reasonably may lead to discipline. Such requests shall not be denied.

ARTICLE 15
GRIEVANCE AND ARBITRATION

15.1 Definition. A grievance shall be defined as a dispute over the interpretation, application or claimed violation of any of the provisions of the Agreement.

15.2 Informal Resolution. In order to facilitate a timely resolution, the Union representative or Graduate Assistant may, but are not required to, first present a grievance or to discuss any problems with the immediate supervisor or faculty member to whom they report. The Graduate Assistant has the right to union representation for such informal discussions as well as throughout any formal grievance procedure steps. Grievances resolved informally or at any point during the grievance process shall not constitute a precedent for future matters or for future interpretation or application of the Agreement. The Union shall be informed, in writing, of any informal resolution.

The Parties are encouraged to attempt to resolve the problems informally but if they are unable or choose not to do so, the Graduate Assistant or the Union may file a grievance under Section 15.3 below. The timelines set forth in this Article for filing a grievance are not tolled by any informal discussions that may have taken place under this section, although the Union and University may mutually agree in writing to extend any such deadlines.

15.3 If the grievance is not resolved informally, grievances shall be handled as follows:

**STEP 1:** The Graduate Assistant or the Union shall reduce the Step 1 grievance to writing and state the pertinent facts, the contract provisions involved, and the remedy sought. Such grievance will be filed with the appropriate department chair or comparable director in units with no department chair, or their designee within twenty (20) calendar days of the event forming the basis for the grievance or the date the Graduate Assistant reasonably should have known of the event forming the basis for the grievance.

Within fourteen (14) calendar days of the filing of the grievance, the department chair or comparable director in units with no department chair, or their designee shall then meet with the
Graduate Assistant and Union representative(s) for the purpose of attempting to resolve the grievance. This time period to meet may be extended by mutual written agreement of the Parties. If the grievance is not resolved at this meeting, the appropriate department chair or comparable director in units with no department chair, or their designee shall respond to the Union in writing within seven (7) days of the meeting. If the University fails to respond within this period, the grievance shall be deemed to be denied on that date, and the grievance may proceed to Step 2 within the time limits set forth below.

STEP 2: If the grievance is not resolved at Step 1, the grievance shall be submitted in writing to the Dean of Graduate Studies or their designee within ten (10) calendar days after the answer to Step 1 is given or the date which the Step 1 answer was due. The Dean of Graduate Studies or their designee shall hold a meeting at this step within fourteen (14) calendar days (unless mutually agreed otherwise) and answer the grievance in writing within seven (7) calendar days after the meeting. If the University fails to respond within this period, the grievance shall be deemed to be denied on that date, and the grievance may proceed to Step 3 within the time limits set forth below.

STEP 3 – Arbitration: Within thirty (30) calendar days after receipt of the University’s written response, or within thirty (30) days after the Step 2 answer was due, if no written answer is received, the Union, but not an individual Graduate Assistant, may invoke arbitration by filing a Petition for Arbitration with the Labor Relations Connection under its labor arbitration rules. Failure to invoke arbitration during this period will result in the dismissal of the grievance with prejudice.

15.4 The decision of the Arbitrator shall be final and binding on the Parties, but the parties shall retain whatever rights they have under the law to challenge the decision of the Arbitrator. The Arbitrator shall be without power to alter, modify, amend, add to, subtract from or detract from the language of this Agreement, or to restrict any action taken by the University on matters reserved to the University’s discretion as per Article 2 (Management Rights) unless those actions are restricted by other terms of this Agreement.

15.5 The parties agree to follow each of the foregoing steps in the processing of the grievance. As outlined above, if at any step the University’s representative fails to give their written answer within the time limit set forth, it shall be deemed a denial by the University and the Union may appeal the grievance to the next step on the date the University’s response is due.

15.6 The fees and expenses of the Arbitrator shall be shared equally by the Parties and each Party shall bear the expenses of its own representatives and witnesses.

15.7 Grievance meetings shall be held at a time and location convenient to both parties. When grievance meetings take place during a Graduate Assistant’s work time, the University will pay for time actually and necessarily lost by the aggrieved Graduate Assistant involved in the grievance meeting. Graduate Assistants or stewards will not be compensated for time spent conferring with their union representative or otherwise preparing for a grievance meeting, preparing for or attending an arbitration, or preparing for or attending an administrative hearing. The Union agrees that these rights will not be abused.
