#### NOTES:

- Prerequisite courses must be completed before the start of the program.
- Experiential Learning Elective and Elective must be chosen from the approved MSF Program list. For ELR options, see list in academic catalog.
- Students may opt to take the elective in any semester after the first semester as long as they have met the pre-requisites for the elective course. To maintain full-time status, students must be enrolled in at least three units in each of the first three semesters of the program. If a student wishes to extend the program to a fourth semester, he or she may be enrolled in one unit during that final semester.
